Broadridge MarketPlace - Data supplied by Lipper - Returns & Rankings As of 9/30/2020

Minimum criteria for inclusion in **Broadridge Best Money Managers**:

- I. Performance must be calculated "net" of all fees and brokerage commissions. This means after all fees have been deducted.
- II. Performance must be calculated inclusive of all cash reserves.
- III. Performance results must be calculated in U.S. dollars, that is, from the perspective of a U.S.-based investor.
- IV. Performance results must be calculated on an asset base which is at least \$10 million in size for "traditional" U.S. asset classes (equity, fixed income, and balanced accounts) or at least \$1 million in the case of international and "alternative" U.S. asset classes.
- V. The classification of the product must fall into one of the categories which Broadridge ranks. Broadridge only publishes rankings for categories/time-period combinations for which we have at least 20 contenders.

The "BROADRIDGE Best Money Managers, powered by Lipper" ranks investment managers against peers that have submitted performance history to the Broadridge/Lipper Marketplace database. Performance rankings are available for the most recent quarter, 4 quarter, 12 quarter, 20 quarter and 40 quarter periods. Investment managers are ranked by investment strategy performance relative to peers. Broadridge rankings are not intended to constitute investment advice or predict future results. Rankings are generally based upon information prepared and submitted by advisers. Although obtained from sources deemed reliable, neither Managed Asset Portfolios, LLC (MAP), nor Broadridge, can guarantee the accuracy of data used to create rankings. In addition to periods of positive returns, the MAP U.S. Multi-Cap Value strategy may have experienced some periods of negative returns during the award time frames. Comparison results are historical. There is no guarantee that any investment will achieve its objectives, generate profits, or avoid losses.
