Managed Asset Portfolios Launches Updated Website

Thoughtful, Original Content, Designed With You In Mind

Rochester, MI, July 26, 2022 -- **Managed Asset Portfolios, LLC (MAP)** is proud to announce the launch of our completely updated website at www.managedassetportfolios.com. The site features a sharp new look and feel that is designed to enhance the user experience. Visitors will be able to intuitively navigate and obtain timely investment and market information with ease.

On the homepage, you'll find links for Financial Advisors, Individual Investors, and Institutional Investors alike. From there you can navigate to information regarding each of the strategies offered. The homepage also offers links to each of the most recent MAP-created research and thought pieces. Our MAP Views, Market Perspectives, and Quarterly Webinar offer a peek into the minds of our experienced Investment Team. Make sure to read Headlines from Across the MAP for a carefully curated list of our favorite articles for the week.

At MAP, we are not only focused on finding the best opportunities across all market capitalizations for our clients, but we strive to provide the best content for all of our visitors. Subscribe to our mailing list to receive frequent updates, investing insights, webinars and latest news delivered to your inbox.
